

OPA Survey Reviews

In accordance with Department regulations, all proposed 1) surveys requiring participation of personnel from more than one DoD or OSD Component and 2) surveys of members of the public (including government contractors) conducted by any DoD or OSD Component must be officially approved and licensed. The first step in the process is to contact your [Component Information Management Control Officer \(IMCO\)](#) [*CAC required to access link*] to determine what type of license is required. The links below provide details related to the relevant DoD regulations.

2. [DoDI 8910.01, DoD Implementation of the Paperwork Reduction Act](#)
3. [DoD Manual 8910.01 – Volume 2, DoD Information Collections Manual: Procedures for DoD Public Information Collections](#)

Survey Materials

For any proposed survey requiring OPA review, the following must be submitted survey review inbox (noted below):

1. [Survey Supporting Statement\(s\)](#): Documents details related to the survey, including its methodology, sample and data collection plan.
2. Survey Instrument/Questionnaire, Focus Group Guides, Interview Scripts
3. Survey Communications (e.g., Recruitment Materials)
4. Survey Web Screens, Informed Consent, Privacy Advisories, Frequently Asked Questions (FAQs)

OPA's initial review cycle can take up to 15 business days. For more information, please contact OPA at dodhra.mc-alex.dpac.mbx.dod-survey-review@mail.mil.

A survey is a systematic data collections, using personal or telephonic interviews, or self-administered questionnaires, in paper or digital format, from a sample or census of 10 or more persons as individuals or representatives of agencies that elicit attitudes, opinions, behavior, and related demographic, social, and economic data to identical questions that are to be used for statistical compilations for research or policy assessment purposes.*
